RENEWED REQUEST UNDER 37 C.F.R. § 1.43

Honorable Director  
of Patents and Trademarks  
Washington, D.C. 20231

Dear Sir:

The decision mail August 15, 2002 has been received. This paper is being filed as the renewed request.

In the decision, the petitions attorney incorrectly concluded that the address in the Declaration supplied is that for Dr. Hooper, and not for Dr. Rushbrook. That conclusion, however, is incorrect.

Dr. Hooper and Dr. Rushbrook have the same address. Therefore, the information provided to the Patent and Trademark Office is correct, and it is requested that the Patent and Trademark Office therefore fully grant the petition and allow the application to proceed.

Respectfully submitted,
